

"Angel Tidbits"

August 2009

The Home & School Association Officers hope that all of you had an awesome summer! The Home & School Association is a connection between the parents and the school. We host various school fundraisers to help with the school funding. We also sponsor free family fun nights throughout the school year. We meet every other month during the school year and babysitting is provided. This year, please make sure to mark the dates for our meetings and attend because your family could qualify to enter our drawing for 1 of 2 \$500 tuition vouchers (information enclosed in the August Family envelope). Every parent is welcome, so please join us at our meetings and bring along your ideas, we are always looking for new volunteers to provide creative ideas. Together we can make Our Lady of the Angels the best school that it can be!!

Your Home and School Officers for the 2009-2010 School Year:
