

May 12, 2017

Dear Parents,

I am very pleased with the reading and writing that is taking place in our classroom. The children are excited to do their Kidwriting and are able to read what they write and read many of the shared readings that we have been doing in class. We continue to review and practice all consonant sounds, blending them together when we read and write. Lately, we have been concentrating on the vowel sounds, too! **I encourage you to continue to do lots of reading and writing at home.** Remind your child to “stretch” out the sounds they hear in words and write and read what they hear.

Thanks to those who have encouraged their child to log on to First in Math. It is a great way to practice some of our math skills.

We have begun our discussion of seeds and plants. We planted lima bean seeds this week in sandwich bags. They will be growing on our bulletin board! The children will be able to see the seeds sprout and the roots and plants grow.

At this time, we have four beautiful butterflies. We will be releasing them today. The children enjoyed observing this wonder of nature.

Monday, May 15th, is our last Dress Down Day for the Missions. Donate \$2.00 and your child may wear their red BELIEVE shirts with jeans or shorts and sneakers. The Music Fest will be held on Wednesday at 1:30 and 7:00 and the Talent Show is Friday, May 19th at 1:00.

Please remember to send in your child’s permission slip and money for our trip to the farm. If you would like to be a chaperone, please let me know next week. Thanks!

Thanks for your help and cooperation.
Have a good weekend!

Mrs. Zeamer
