

hello spring!

May 19, 2017

Dear Parents,

Another busy week is coming up! Please continue to check Parent Square for all the details.

Field Day for K5, 1st and 2nd grades will be on Tuesday, May 23rd. Please remember to send in the OLA **water bottle** and put **sunscreen** on your child if the weather is supposed to be sunny. The students should wear their **OLA gym uniforms**. If they wear their sweatshirts and pants, please make sure their names or initials are on them in case they take them off. Field Day will take place at Janson Field this year. We will walk back to school to eat lunch.

Wednesday, May 24th, is our field trip to the farm. The children should wear their **OLA gym uniforms**. They also need a **packed lunch and drink**. Chaperones, please be here by 9:35. Thanks!

 I will be collecting the reading books from the reading bags soon. Please check your books at home to make sure none of our school books got mixed in with your collections of books at home. Also, please check for any library books that weren't returned. Thanks!

We will be doing some end of the year reviewing: identifying and writing numbers to 100, adding and subtracting, identifying coins, telling time by the hour and half-hour, reading and spelling our word wall words. Please try to take the time now and over the summer to continue to practice the concepts that were taught this year. The children have come so far. We don't want to see them regress!

The countdown is on! This is a very difficult time for the children to stay calm and pay attention. Please remind them of our listening rules and class/school rules. Thanks!

Have a great weekend! Thanks for your help and cooperation in all that we do!

Mrs. Zeamer
