Dear Parents,

A final message from Kindergarten! It is hard to believe that we have reached the end of the year! We have had a great year together. I am very pleased and proud of all that we have accomplished this year. Think back to those first weeks of school in September. Look at how much your child has grown spiritually, physically, socially and academically. It is amazing to see the growth that has taken place.

You will find some papers in the folder that have some ideas and websites for activities to use with your child over the summer. These can be used to review and practice skills and concepts introduced and discussed this year. I would also like to impress upon you the importance of reading and writing and practicing math skills over the summer. It will definitely be beneficial! The children have come so far. We do not want them to regress. Please refer to the handwriting chart on the website as your child practices writing over the summer.

You will also find the updated skills list and word wall words on the kindergarten website next week. Please try to check these out over the summer, too. It will remind you of the skills that were taught this year.

Next week, I will be sending home all of the Kidwriting books that the children have worked on all year. I hope you get a chance to enjoy them again and compare the difference from the beginning of the year until now. I think it is **AWESOME!**

Mass is at Holy Trinity Church on Friday, June 2nd at 9:00. Dismissal is at 10:30. There will be no bus transportation at dismissal.

Mrs. Sanders has helped me put together a CD of pictures of many of the activities that we enjoyed and worked on this year. If you would like to

purchase one, please send in \$10. PLEASE LET ME KNOW ASAP so we can get them copied. Thanks!

Holy Trinity's festival begins on June 7th and continues to June 10th. I hope you can come and support this great fundraiser.

I would like to thank you for giving me the opportunity to teach your child and watch him/her progress. Thanks for all of your help and cooperation throughout this year. TOGETHER, WE DID GREAT THINGS!

Have a wonderful summer! Take care and be safe! God bless you!

Mrs. Zeamer
