

May 5, 2017

Dear Parents,

What a wonderful Mother Goose Day! The children did a great job and their costumes/props were awesome! Everyone who visited loved it! Thank you so much for your help. I would also like to thank Mrs. Spicer for drawing all of the great pictures for the children to color. **TOGETHER, WE CAN DO GREAT THINGS!**

Our five caterpillars made their cocoons this week. We are hoping to release them next week. We watched them grow from tiny caterpillars to fat ones and observed them living in their chrysalises.

Some upcoming dates to note:

- May 8th-12th is Crazy Sock Week
- May 8th is Coupon Dress Down Day
- May 8th- Dine Out at Friendly's
- May 11th- Mass is on Thursday, instead of Friday, at Holy Trinity Church
- May 12th Health Fair and Color Explosion-Please review the procedures for Color Explosion-PLEASE REVIEW ALL THE INFORMATION REGARDING THIS DAY.

I would like the children to bring in real examples of our space shapes: cylinder, cube, sphere, rectangular prism, pyramid and cone. Check around the house and see what you can find in the toy box or kitchen etc. Please send them in on Monday or Tuesday. Thank you!

Ideas for discussion:

- 🦋 Review the space shapes- sphere, cube, cylinder, rectangular prism, pyramid, cone
- 🦋 Write a note to your child and ask them to respond to your note.
- 🦋 Identify words in the -ip word family: ship, trip, lip, dip, sip, slip, flip, hip, clip, rip, whip, zip
- 🦋 Review all of our word family words
- 🦋 Explain the life cycle of a butterfly
- 🦋 Discuss some stories in the life of Mary during the month of May
- 🦋 Say a decade of the rosary

Mrs. Zeamer
