

Our Lady of the Angels Car Dismissal Route

***ALL CARS MUST GO IN BIG LOT FIRST AND PARK IN A SPACE.** Row 1 will leave first, followed by row 2, row 3 and row 4. Please stay in your rows.

* The teacher on duty (smiley face) at top of lot will allow **6 cars** at a time from the rows to go out into the small lot. This process will continue until all of the cars have left the big lot. **Cars must watch for oncoming traffic. We can't stop traffic for cars to go into the small lot.**

*Teachers will call children out to the cars in the small lot as usual from the back cafeteria door.

* Cars will leave the small lot and either turn left or right into the alley to exit.
