

6th Grade Summer Reading

Happy summer! This summer, coming into 6th grade, your student is required to read *Fish in a Tree* by Lynda Mullaly Hunt. This title is about a student with dyslexia and is a sad yet heartwarming story about overcoming challenges. All your student has to do is read the book. All the activities required to go along with the book will be done in class in the fall. I am so excited to meet you and your children in August! Have a wonderful and safe summer!
